Dear Ms. Musgrave:

This is in response to your request submitted June 2, 2020, which was assigned Control Number FP-20-022450 in the Army Freedom of Information Act Tracking System (FACTS). Your request was processed in accordance with Title 5 United States Code 552, The Freedom of Information Act (FOIA) and the DOD FOIA regulations at 32 CFR 286. After looking at our holdings at the U.S. Army Test and Evaluation Command (ATEC), we were unable to locate any records responsive to your request. Specifically, we do not have the UAS National Airspace Flight Operations Standardized Procedures report dated July 2015.

The determination that we have no records responsive to your request is considered a denial of your request, which may be appealed through the FOIA Office (Office of the Chief Counsel), U.S. Army Test and Evaluation Command, 6617 Aberdeen Boulevard, Aberdeen Proving Ground, Maryland 21005-5001. Your appeal will be forwarded to the Army Office of the General Counsel for final disposition on behalf of the Secretary of the Army. Your appeal must be submitted within 90 days of the date of this letter. In your appeal, you must state the basis for your disagreement with the denial. Please note your appeal should address the information denied in this response and cannot be used to make a new request for new or additional information.

It is possible that the U.S. Northern Command (www.northcom.mil/) may have the record you are seeking.

If you have any questions/concerns regarding the above response, please contact the ATEC FOIA Office by email: usarmy.apg.atec.mbx.hq-foia-request@mail.mil.
